

CLEO: 2012 Job Fair

If you are recruiting in the laser science and electro-optics fields, find qualified candidates through the CLEO: 2012 Job Fair. Companies and candidates may participate on-site at our dedicated kiosks and also online from any location —whichever is most convenient.

Options for Employers/Recruiters

- **Online Resume Access:** Search resumes of candidates while the job fair is online
- **Post Job Openings:** Advertise open positions on the Job Fair website.

The CLEO: 2012 Job Fair will be online March 2012.
