Welcome to CLEO

For more than 40 years, CLEO has served as the proving ground for innovators and breakthrough technologies. It is the global stage where next-generation innovations reach the marketplace.

Now more than ever, it's essential to stay connected with your customers and develop new relationships. Participating in CLEO enables you to reach a global audience of buyers and industry leaders while connecting with innovative professionals looking for opportunities to forge a career in the industry.

High Quality Buyers Drive Sales

Join industry-leading companies and connect with innovators that understand the value of face-to-face marketing and have positioned themselves in this lucrative marketplace. CLEO is where products are launched, business gets done and your company prospers.

“CLEO’s world-renowned technical program is a showcase for leading research and applications in a number of fields, from optical imaging to advanced manufacturing, silicon photonics and the autonomous vehicles industry. Industry-leading speakers from around the world discussed new scientific ideas and research while the exhibiting companies displayed the latest innovations in photonics technology.”

Dirk Müller, Coherent Inc.

CLEO 2023

The Hub Enhances the Exhibition Experience

Exhibiting is more than just booth space. Benefits include:

Show Floor Business Programming & Networking Theaters

CLEO 2023 will have a show floor theater that hosts technical sessions, timely talks on the latest business trends and the Plenary Sessions. To further enhance the show floor experience, Technology Showcase sponsorships are the perfect opportunity to educate attendees on your company's products and services during 20-minute sessions in the Theater. The Hub will host a Student Lounge, and the show floor will stay open late to host the Conference Reception.

Programming in the Hub

The Industry Focus program spotlights the latest trends in the marketplace and provides a forum to discuss new products and emerging technologies and markets.
